Make Music in Knoxville Broadcast with Hundreds of Musicians!

Students of all ages and all musical backgrounds are invited to participate in **Found Forte**, a “found percussion” ensemble created for Knoxville Broadcast and led by percussionist and educator Nate Barrett. “Found” percussion instruments are everyday objects that have been reimagined and repurposed to make music! Instruments will be provided! Parents, guardians, and siblings are welcome to participate alongside students!

Performances

All three performances (approximately 45 min. each) take place at World’s Fair Park Amphitheater. Participants are asked to commit to all three performances.
